

June 2022

Dear Parents of Summer Readers,

Your child is invited to join the Whitehall Library's Summer Book Club for children from Pre-Kindergarten – 4th grade. This summer's theme is "Oceans of Possibilities!". Children will be given book logs and asked to keep track of the books they read throughout the summer. We hope that your child chooses books that relate to the theme. There are many terrific books available that can be checked out here as well as ordered from other libraries. Does your child have a library card? Just stop in when you register for the program and we can issue a card at that time.

Whether reading alone or with a parent this summer, children who join the Summer Book Club keep their brains active and enter school in the fall ready to learn and ready to succeed. Children who complete the program will receive a prize!

Please stop by the library to register your child beginning June 23rd through July 1st.

Have a great summer!
